DOCKET FILE COPY ORIGINAL

Dear Sirs:

On behalf of deaf-blind and low vision deaf Americans who rely heavily on large display TTYs as well as Braille TTYs, I strongly urge that 711 Outreach that was budgeted by NECA during the past two fiscal years which was deleted from the current fiscal year be reinstated. There is nationwide agreement among us that 711 Outreach is necessary to broaden awareness across the nation about TRS. We urge you to reinstate this all important public awareness program.

When will the TRS Outreach program be reinstated, so I can inform deaf-blind and low vision deaf communities?

Sincerely,

Harry C. Anderson

President
